## APIs AND THEIR INTERMEDIATES

|                     |                                       |                           |
|---------------------|---------------------------------------|---------------------------|
| ABACAVIR SULFATE    | CARBOPLATIN                           | DOBUTAMINE HCL            |
| ACAMPROSATE CALCIUM | CARISOPRODOL                          | DONEPEZIL                 |
| ACEBROPHYLLINE      | CARVEDILOL                            | DOTHIEPIN HCL             |
| ACECLOFENAC         | CEFUROXIME AXETIL                     | DOXOFYLLINE               |
| ADAPALENE           | CHLOROQUINE PHOSPHATE                 | DRONEDARONE               |
| ADEFOVIR DIPIVOXIL  | CHOLINE FENOFIBRATE                   | DRONEDARONE HYDROCHLORIDE |
| ALBENDAZOLE         | CINACALCET                            | DROXIDOPA                 |
| ALCAFTADINE         | CISPLATIN                             | EFAVIRENZ                 |
| ALENDRONATE SODIUM  | CITALOPRAM HBR.                       | EMPAGLIFLOZIN             |
| AMBROXOL HCL        | CLOBAZAM                              | ENTACAPONE                |
| AMIODARONE          | CLOMIPRAMINE HCL                      | EPTIFIBATIDE              |
| AMITRIPTYLINE       | CLONAZEPAM                            | ERLOTINIB HYDROCHLORIDE   |
| APIXABAN            | CLOPIDOGREL BISULFATE                 | ESCITALOPRAM HBR          |
| APREPITANT          | CLOSANTEL AMINE                       | ESLICARBAZEPINE ACETATE   |
| ARMODAFINIL         | CLOSANTEL BASE                        | ESZOPICLONE               |
| ASENAPINE MALEATE   | CLOSANTEL SODIUM                      | ETORICOXIB                |
| ATAZANAVIR SULPHATE | COLESEVELAM                           | ETRAVIRINE                |
| ATOMOXETINE HCL     | DABIGATRAN                            | EXEMESTANE                |
| AVANAFIL            | DABIGATRAN ETEXILATE MESYLATE         | EZETIMIBE                 |
| BACLOFEN            | DANAZOL                               | EZOGABINE                 |
| BALSALAZIDE         | DAPAGLIFLOZIN                         | FEBANTEL                  |
| BENFOTIAMINE        | DAPOXETINE HCL                        | FEBUXOSTAT                |
| BENZONATATE         | DARIFENACIN HYDROBROMIDE              | FENBENDAZOLE B.P VET      |
| BETAHISTINE HCL     | DASATINIB                             | FENOFIBRATE               |
| BICALUTAMIDE        | DESLOTATADINE                         | FENOFIBRIC ACID           |
| BISOPROLOL FUMARATE | DESMOPRESSIN                          | FESTERODINE FUMARATE      |
| BITHIONOL SULFOXIDE | DESVENLAFAXINE SUCCINATE              | FEXOFENADINE HCL          |
| BROMHEXINE HCL      | DEXLANSOPRAZOLE                       | FINASTERIDE               |
| BUDESONIDE          | DIACEREIN                             | FINGOLIMOD                |
| BUPROPION HCL       | DICLOFENAC SODIUM                     | FLAVOXATE HCL             |
| CALCITONIN          | DILTIAZEM                             | FLUDIAZEPAM               |
| CAMYLOFIN           | DIMINAZENE DI ACETURATE               | FLUNITRAZEPAM             |
| CANAGLIFLOZIN       | DISA (3,5 - DI - IODO SALICYLIC ACID) | FLURBIPROFEN              |
| CAPECITABINE        | DIVALPROEX SODIUM                     | FLUTICASONE PROPIONATE    |
| CARBAMAZEPINE       | DL-CLOPROSTENOL SODIUM                | FLUVOXAMINE MALEATE       |

## APIs AND THEIR INTERMEDIATES

|                              |   |                               |
|------------------------------|---|-------------------------------|
| FOSAPREPITANT                | NILOTINIB HYDROCHLORIDE                             | RUTIN                         |
| FOSPHENYTOIN SODIUM          | NITRO COMPOUND (3:5 LUT-<br>-IDINE 4 NITRO N OXIDE) | SALBUTAMOL SULPHATE           |
| GEFITINIB                    | NITROXYNIL  | SAXAGLIPTIN                   |
| GUAIFENESIN                  | OLANZAPINE PAMOATE                                  | SEVELAMER CARBONATE           |

## FINE CHEMICALS

ALUMINIUM CHLORIDE  
AMMONIUM MOLYBDATE  
BORIC ACID  
CAUSTIC POTASH FLAKES  
COBALT SULPHATE CRYSTALS / SOLUTION  
DI METHYL FORMAMIDE  
DI METHYL SULPHATE  
PHOSPHOROUS TRICHLORIDE  
PHOSPHOROUS PENTACHLORIDE  
PHOSPHOROUS OXYCHLORIDE  
POTASSIUM PERMANGANATE CRYSTALS / POWDER  
POLY PHOSPHORIC ACID  
PARATOLUENE SULFONIC ACID  
SODIUM HYDRATE  
SODIUM METHOXIDE POWDER / SOLUTION  
SODIUM MOLYBDATE  
SODIUM SULPHATE  
SODIUM TUNGSTAT  
STEARIC ACID  
SULFURYL CHLORIDE  
SULPHUR POWDER / GRANULES  
THIONYL CHLORIDE
